

## DOMINO WAS NOT IN IT.

THE AMERICAN DERBY WON BY THE  
COOL REY EL SANTA ANITA.Fourth Time That "Lucky" Baldwin Has  
Won the Event—Senator Grady Wins the  
Post as Favorite, but Garrison Could  
Not Place His Better Than Second, Four  
Lengths Behind the Winner.—The Derby  
Record Equalled for the Distance.CINCINNATI, June 23.—For the first time in his  
long history, the unbeaten and unapproachable Domino's colors were not in defeat  
in the \$20,000 American Derby at Washington  
Park today, and it was not Senator Grady who  
captured the blue ribbon, but a horse regarded by  
the racing world as inferior to several others starting  
outside of the two tracks of the Keen and Dair  
String. As the winner of the Lataonia Prize Handicap  
last Tuesday with perfect ease, so Rey El Santa  
Anita won in a common canter, with four  
lengths to spare, going to the post with the  
edge of 4 to 1 against his chances.As a two-year-old, although the victor of  
several races and \$10,000, Rey El Santa Anita  
showed far from Derby credentials compared  
with such crack colts as Domino and Senator  
Grady, as in eleven other races he ran only  
one defeat. Nor did his form this year in-  
dicate the improvement necessary to win such  
a prize as to-day's big race. In three of his five  
starts he was beaten, and in two instances was  
defeated by such moderate performers as J. P. B.  
and The Sculptor. In his last race, the Lataonia  
Prize Handicap, he showed high class, beating a  
good field, and ran nine furlongs on a heavy  
track in 1:35. His trainer, Harry McDaniel,  
claimed all spring that Rey El Santa Anita  
was a much better colt than his public form  
showed, his work having been most satisfac-  
tory to the young handler, who, with Barber  
Frost's horses, was very successful last sea-  
son. It is an odd fact in this regard that  
McDaniel trained last year's winner of this race, Gendre, who, like Rey  
El Santa Anita, had two red-hot favorites in  
H. Leopold and Clifford.As to the record that witnessed to-day's race,  
it was inferior to that of most any year in  
American Derby history, contrary to the club's  
expectation. His sister, Garrison, is essential; a  
representative of the racing public, who have  
always maintained that his faultless  
action should carry him any journey.
